This is a complaint to the Calgary Assessment Review Board in respect of Property assessment prepared by the Assessor of The City of Calgary and entered in the 2010 Assessment Roll as follows:

ROLL NUMBER: 094200409

LOCATION ADDRESS: 3621 48 Ave SE

HEARING NUMBER: 58650

ASSESSMENT: \$2,380,000

This complaint was heard on 25th day of August, 2010 at the office of the Assessment Review Board located at Floor Number 3, 1212 – 31 Avenue NE, Calgary, Alberta, Boardroom 10.

Appeared on behalf of the Complainant:

- *Troy Howell, Assessment Advisory Group, Agent*

Appeared on behalf of the Respondent:

- *Denis Desjardins, Assessor*

Board's Decision in Respect of Procedural or Jurisdictional Matters:

There was no objection to the composition of the Composite Assessment Review Board (CARB).

The Respondent's evidence submission had been due on August 10, 2010. The evidence was not received until August 16, 2010. The CARB ruled that the Respondent's evidence was not admissible. The hearing proceeded on the basis that the Complainant could present his evidence, the Respondent could question the Complainant's evidence but not present any of the Respondent's evidence, and both parties would provide closing summaries.

Property Description:

The subject property is an office/warehouse located at 3621 48 Ave SE. The building was constructed in 2000 and has a rentable area of 11,250 sq. ft. on a site which is 1.05 acres, resulting in site coverage of 24.59%. The building has a finished area of approximately 24%.

Issues:

The single issue identified on the Assessment Review Board Complaint Form was the assessment amount.

Complainant's Requested Value:

On the Assessment Review Board Complaint Form, the Complainant requested a value of \$1,680,000. During the hearing, this request was revised to \$2,227,500.

Position of the Parties:

The Complainant provided three sales comparables on page 9 of exhibit C1. These properties had sold between March, 2008 and December, 2008. The Complainant had applied time of sale adjustments to the sale price of -15%. He had also applied a year of construction adjustment of 5% to one property. The result was an average value per sq. ft. of \$198/sq. ft. This had been multiplied by 11,250 sq. ft. for a requested assessment of \$2,227,500.

The Complainant acknowledged that he had used a different methodology in arriving at time of sale adjustments than the City used. He stated that the City used a negative 6% for the same period.

The Respondent, in his summary, stated that the Complainant had not supplied any supporting evidence for his adjustments.

Board's Decision:

The CARB finds that the Complainant provided no evidence to support the time of sale adjustments of -15%. The CARB notes that, if the City's -6% is applied to the Complainant's comparables; the average adjusted value per sq. ft. is \$216/sq. ft. The Complainant has failed to prove that the assessment is incorrect. The assessment is confirmed at \$2,380,000.

DATED AT THE CITY OF CALGARY THIS 30 DAY OF AUGUST 2010.
