Board's Decision in Respect of Procedural or Jurisdictional Matters:
N/A

Property Description: Subject property is located in the Beltline on the North East corner of 9th Street and 12 Ave SW. The property contains .45 acres and has a designation of Centre City mixed Use district under the City of Calgary land Use Bylaw. Currently the parcel is vacant and its intended future use is high density residential.

Issues: The Complainant raised the following matters in Section 4 of the Assessment Complaint form: Assessment amount and Assessment class.

A large number of issues were outlined in Section 5 of the complaint form. Presentations of the complainant and respondent were limited to:

- Assessment overstated in relation to comparable properties.

Complainant's Requested Value: \$3,526,000.00

Board's Decision in Respect of Each Matter or Issue:

Complainant's position: The Complainant determined that the assessed base rate of \$ 215.00 per sq. ft. plus a 5 % corner lot influence adjustment is too aggressive based on market evidence and that a rate of \$180.00 per square foot is more appropriate. In support of that position the Complainant presented land sales information on 9 properties. These properties were all located in the beltline and downtown. The sales data showed a range of \$118-\$264 per square foot with a medium of \$ 179.00.

Respondent's Position: The Respondent reviewed how the assessment was arrived at and in support of its position provided equity and sales information. The Respondent's data indicated that the subject property was assessed less than the medium of \$233.00 per square foot. In addition an analysis was provided of the Complainant sales information.

Board's Decision: Board's Decision: Upon reviewing the verbal and written evidence provided by the parties, the Board considers that the Complainant failed to demonstrate that the assessment was inequitable.
The Board confirms the assessment at \$ 4,420,000.00.

Reasons: The Board determined that the sales information presented by the Respondent support the 2010 assessment.

DATED AT THE CITY OF CALGARY THIS 4 DAY OF November 2010.
