Notes:

- a) The allocations for the initial MSI capital component and operating funding are based primarily on 2016 Municipal Affairs Population List, 2016 education tax requisitions, and 2015 kilometres of local road.
- b) The allocations for the BMTG component are based on municipal status, with Calgary and Edmonton receiving funding based on litres of taxable road-use gasoline and diesel fuel sold in the province; the remaining cities and urban service areas receiving funding based on a combination of population and length of primary highways; towns, villages, summer villages, improvement districts and the Townsite of Redwood Meadows receiving funding based on population; and rural municipalities and Metis Settlements receiving funding based on a formula which takes into account kilometres of open road, population, equalized assessment, and terrain.
- c) MSI capital (March 2018) funding allocations are based on 2017 Municipal Affairs Population List, 2017 education tax requisitions, and 2016 kilometres of local road.
- d) MSI capital (March 2018) funding is subject to the Alberta Legislature approval of the 2017-18 Supplementary Estimate for MSI.
- e) MSI capital (March 2018) funding and individual allocations are subject to the Minister's authorization in accordance with the expressed guidelines of the program.
- f) Allocations for former municipalities that have been restructured are reflected in the allocation of the receiving municipality in accordance with the MSI program guidelines.
- g) In March 2018, Municipal Affairs approved a new approach for meeting the needs of local governments in the Improvement District No. 349 region. MSI capital (March 2018) allocations for the Improvement District No. 349, Elizabeth Métis Settlement and Fishing Lake Métis Settlement have been calculated to reflect this new approach.
