WELL DRILLING EQUIPMENT TAX REGULATION

The Well Drilling Equipment Tax (WDET) Regulation AR221/2010 has been re-enacted for a 1 year period, and will expire December 31, 2011. The 2010 rates will remain in place.

Municipal Affairs would like to thank all stakeholders who were involved in the WDET consultations. We appreciate all the input received.

The regulation will be available through the Queen's Printer in January. This bulletin will also be made available on our website at: www.municipalaffairs.alberta.ca under Municipalities and Communities / Property Assessment and Taxation / Publications / Assessment Bulletins.
