Assessment Complaints and Appeals System

Through letters, resolutions, stakeholder meetings and consultations, property owners and municipal officials have proposed changes to the province's property assessment complaints and appeals legislation as contained in the *Municipal Government Act* and the Assessment Complaints and Appeals Regulation (AR 238/2000).

Please be advised that Alberta Municipal Affairs and Housing will be undertaking a comprehensive review of Alberta's complaints and appeals system beginning in 2008. The ministry will be consulting with all stakeholders on proposed amendments and making recommendations to the Minister based on feedback received. More information will be provided in the near future.
