The Benefits Report should provide a summary of the project's value to the municipality and demonstrate how those benefits support the objectives of the program.

1. Identify the objective(s) of the Municipal Sponsorship Program that the municipality's project has met:
 - improved municipal governance or administration
 - enhanced municipal services or service delivery
 - increased municipal cooperation

2. Identify the main benefits of the project (e.g., improved water quality, energy efficiency savings, enhanced municipal services).

3. Wherever possible, indicate quantifiable measures that provide a numerical value for the project's impact on the community (e.g., number of residents impacted, savings, and change in emergency response time).

4. If you wish to provide more detail, use this area or include additional pages.
